# WELCOME TO ARTWALK 2010

## What is ArtWalk Lowell?

ArtWalk Lowell is a collection of storefront window art displays created by Greater Lowell artists. Each artist has created a display of their finest work and they are eager to hear your opinions of their displays.

## Where to find the displays

Browse the storefront windows of Merrimack, Market, and Middle Streets. Specific locations are located on the ArtWalk map.

## Play along for prizes!

After you have viewed the displays, you can use your map to vote for the display you like the best. Place your voting ballot in one of the ballot boxes located throughout the city. See the list on the left for ballot box locations. The artists will be awarded prizes based on the number of votes they receive. YOU are eligible to be a winner, too – each voting ballot will be entered into a raffle for a chance to win a dining/theater gift package valued at \$150. Walk, Vote, Win!

There is a lot to like about Lowell... we hope you find ArtWalk 2010 one of them.

Enjoy your ArtWalk!
